

## Daily Invocation of Avalokiteshvara

Bowing our heads to the Compassionate One,  
We practice meditation focused on serene reflection.  
In keeping with cause and effect, the Bodhisattva  
enters the Waveless Sea.

With a voice as the sound of the ocean,  
She responds to the cries of the world.  
No matter what a being's heartfelt prayer,  
She unfailingly grants its fulfillment.

Homage to our True Teacher, Shakyamuni Buddha.  
Homage to the Divine Mother, Prajnaparamita, Who is Great  
Wisdom.

Homage to Maitreya, the Buddha That Is To Come.

Homage to the Great Compassionate Avalokiteshvara  
Bodhisattva.

Homage to the mighty White-robed One who abides within  
the White Lotus, clothed in the Immaculacy of the  
Precepts.

We beseech You, Compassionate One, to dwell within this  
place, in our hearts, and in the hearts of all beings—  
which is your true and rightful Home.
